Pinky Sharma

React Developer

Phone#:(905)-782-4647

sharmapinky0662@gmail.com

Brampton, ON

OBJECTIVE

Dedicated and skilled **Front-End / React Developer** with hands-on experience in React, Redux, JavaScript, HTML, and CSS. Seeking an opportunity to contribute to dynamic development teams by creating intuitive, high-performance web applications. Passionate about delivering exceptional user experiences through innovative design, efficient coding, and collaborative problem-solving.

PROFESSIONAL SUMMARY

- Front-End Developer with several years of experience in **React, Redux, JavaScript, HTML5, and CSS3**.
- Successfully contributed to the development of multiple **e-commerce applications** using React, PHP, and MySQL.
- Proficient in **responsive web design**, **cross-browser compatibility**, and **web accessibility standards**.
- Skilled in **WordPress theme and plugin development** with a focus on performance optimization.
- Strong collaborator with experience in **Agile (Scrum)** environments and version control systems like GitHub and Bitbucket.
- Excellent problem-solving and communication skills with a focus on delivering client-oriented solutions.

TECHNICAL SKILLS

- **Web Technologies:** HTML5, CSS3, JavaScript, jQuery, ReactJS, Redux, WordPress, SASS, Bootstrap, Styled Components
- **Frameworks:** React, Angular, Bootstrap
- **APIs & Tools:** REST APIs, Postman
- **Project Management:** JIRA, GitHub, Bitbucket, SourceTree, Bamboo (CI/CD)
- **Development Environments:** Visual Studio Code, Sublime Text

PROFESSIONAL EXPERIENCE

Front-End Developer / React Developer
KnovaTek Inc., Toronto, ON | *Nov 2021 – Present*

- Developed a customer-facing e-commerce website using React, Hooks, and Redux to enhance user engagement.
- Implemented React JS components, forms, and animations to improve UI/UX and site performance.
- Built an E-learning Web Application for learning Modern Foreign Languages (MFL) and English as an Additional Language (EAL).
- Integrated RESTful APIs for seamless client-server communication.

- Collaborated in Agile (Scrum) sprints, including daily stand-ups and retrospectives.

Front-End Developer
GeekyBones Lab Pvt. Ltd., India | *Jan 2019 – Sep 2021*

- Developed multiple **public websites** and an **e-commerce platform** for custom sports apparel.
- Designed and developed **responsive WordPress themes** and **custom plugins**.
- Utilized **SASS** for maintainable and scalable stylesheets.
- Worked closely with designers and backend developers to ensure smooth implementation.
